

PULSAR ON BASE 38°

Pictures

Description

Pulsar includes a range of flexible outdoor fixtures for installation on hard (with base) or soft (with spike) surfaces. The head of the unit can be tilted using an Allen key. This versatility makes Pulsar the ideal fixture for illuminating plants, walkways, garden elements or trees. Thanks to the lens technology, the unit is available with different beam angles. All fixtures in the Pulsar range are IP65 rated.

Specifications (352523)
