

HABANA SINGLE BEAM CI

Pictures

Description

Habana is a family of elegant wall lights with different finishes, including black & gold and copper. The fixture can emit a cosy, indirect light both up and down or just up or down. The possibilities with this wall-mounted fixture are therefore endless. The cylindrical-shaped fixture is subtle in its design, but powerful in its light output.

Specifications (467296)

| | | | |
|-----------------------|-----------------|------------|------------------------|
| Colour temperature: | 2700K | Weight: | 0,40 kg |
| Beam angle: | 36° | Rotatable: | nvt |
| Input: | 230V 50-60Hz AC | Tiltable: | nvt |
| Lumen output (net): | 1 x 340 | Wattage: | 1 x 3,82W |
| Lumen output (gross): | 1 x 400 | Converter: | Converter incorporated |
