

HABANA UP-DOWN CI

Pictures

Description

Habana is a family of elegant wall lights with different finishes, including black & gold and copper. The fixture can emit a cosy, indirect light both up and down or just up or down. The possibilities with this wall-mounted fixture are therefore endless. The cylindrical-shaped fixture is subtle in its design, but powerful in its light output.

Specifications (467396)

Colour temperature:	2700K	Weight:	0,60 kg
Beam angle:	36°	Rotatable:	nvt
Input:	230V 50-60Hz AC	Tilttable:	nvt
Lumen output (net):	2 x 340	Wattage:	2 x 3,82W
Lumen output (gross):	2 x 400	Converter:	Converter incorporated
Colour display:	90		
Location:	Indoor		
Application:	Wall
